FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 967 - HB 1434

March 21, 2019

SUMMARY OF BILL: Requires certain private companies to be liable for any injury incurred by a minor while using the private company's property.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The proposed legislation would make companies providing dockless electric scooter rentals to be strictly liable for any injury incurred by a minor while using such dockless electric scooter.
- The proposed legislation will result in a decrease in state expenditures associated with no longer being responsible for payment of medical treatment for injuries incurred by minors covered by TennCare or the state medical insurance plan.
- A precise recurring decrease in state expenditures for no longer having to cover such medical costs cannot be determined, but is reasonably estimated to be not significant.
